

GYU Hi fhY UbX Wildlife Lighting

A19 7W LED

SPECIFICATIONS & TECHNICAL DATA

Base Type	E26
Material	PC + Aluminum
Input Voltage	120V AC
Wattage	7.0
Brightness	200 lumens
Lumens/Watt	28.5
Color Temperature	590nM
Beam Angle	360 degrees
Life	25,000 hours
Warranty:	3 years

Packing:

Qty Per Carton	50
Carton Size:	40cm x 40cm x 31cm 15.75"x15.75"x12.25"
Net Weight/Carton	4.45 kgs 9.80 lbs
Gross Weight/Carton	4.95 kgs 10.90 lbs

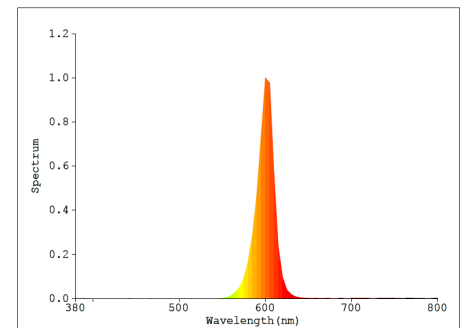

Dimming:

NON-DIMMABLE

CL-G2A197W-590

SPECTRAL DISTRIBUTION

This long wavelength light source is less disruptive to marine turtles than white or multi-colored lights.

Mount fixtures as low as possible. Low mounted fixtures provide more light directly on the ground where it is needed for human safety. This also reduces the potential of the light source or lamp from being directly visible.
